

# BrainFreeze Comedy

*BrainFreeze Comedy* was formed in Montgomery, Alabama in early 2002 and has been entertaining the masses since. With their unique blend of improv, parody, and personal hygiene, the members of *BrainFreeze* have emerged as the Southeast's premiere comedy troupe.

Winner of numerous awards for their short films, *BrainFreeze* has also amassed a collective of loyal fans that line up each month to see their particular recipe of comedic mayhem at their live shows. Their goal is nothing short of the conquest of all forms of comedic expression and making their indelible mark on the history of comedy.

**Separate**—they are invincible.

**United**—they are unstoppable.

**Naked**—they are usually asked to leave the premises!

**They are *BrainFreeze Comedy*, and they are funny!**

Don't miss their live improv comedy shows the last Wednesday of every month at 1048 Jazz & Blues Club in Old Cloverdale.
