

Healing **arts** Celebration

Art therapy focusing on a woman's cancer experience

GALLERY RECEPTION ♦ Sunday, Aug 3, 2008

4:00-7:00 pm ♦ Stonehenge Gallery ♦ Refreshments

Exhibit on Display Aug 3-9 at 1041 East Fairview Avenue, Montgomery

Above: Tile mural created by cancer patients displayed at the Montgomery Cancer Center.

View the artwork of Montgomery area cancer patients along side award winning art entries from Eli Lilly's Oncology on Canvas exhibit.

Join us for the culmination of a unique local workshop that uses the creative process to improve and enhance the physical, mental and emotional well being of women with cancer.

Above: Workshop Leader & art teacher Provie Musso. Below: "Peace Angel" original work by Musso.

Left: Award winning entry in the international Oncology on Canvas art competition.
