“Tips” for Life

Local restaurants will accept special “tips” from patrons during the month of April to help LOCAL cancer patients with transportation, prescription medications and social services through the Cancer Wellness Foundation. Patrons can contribute a special tip through collection jars or by adding the tip to their final bill depending on how the restaurant chooses to operate.

“The Tasteful Challenge”

Participating chefs from favorite restaurants will prepare a signature dish for tasting by 200 lucky guests on Saturday evening, May 9, at the new Alley Patrons at this street party will use their pocketbooks to vote for their favorite chef’s creation. Participating chefs get 4 free tickets for friends and coworkers to attend the May 9 event.

IT’S NOT POSSIBLE WITHOUT YOUR HELP!

Bring your restaurant’s supporters and help a seriously ill neighbor.
